### MYANMAR POLITICAL PARTIES KNOWLEDGE FACILITY – QUESTIONS AND ANSWERS ON POLITICAL PARTY DEVELOPMENT

In response to the requests from political parties in Myanmar, the Myanmar Multiparty Democracy Programme have established a knowledge resource facility for political parties in Myanmar to access international knowledge and experiences in the following areas:

- Political party laws and regulations
- Political party financing regulations
- Electoral systems and proportional representation
- Electoral cycles
- Multi-party dialogue and multi-party cooperation
- Role and functions of political parties in democratic transitions
- The relations between political parties, members of parliament and the parliament
- Relationships with civil society and the media
- Capacity development of political parties
  - Membership development and training
  - Communication
  - Campaign work
  - Organisational development
  - Policy development
  - Women and youth in politics
  - Ethics and anti-corruption
  - Conflict prevention and mediation

All political parties and political and members can forward queries or questions relating to the challenges of political parties to the Myanmar Multiparty Democracy Programme, and we will share information, manuals, training tools, guidelines, resource institutions and literature on the topics of interest.
